

THE MUNICIPALITY OF MEAFORD

Director of Infrastructure Services (Job Posting #2019-21)

Salary Range: \$100,167 to \$121,754

The Municipality of Meaford is located in the County of Grey on the western shore of beautiful Georgian Bay in Central Ontario. With a rural and urban mix population of approximately 11,000, the Municipality offers abundant recreational and lifestyle opportunities.

The Director of Infrastructure Services will provide oversight, administration and strategic leadership for the divisions of Transportation & Fleet Services and Environmental Services. This senior level management position will oversee the engineering design of municipal services and projects and provide technical expertise in the areas of engineering, water/waste water and waste management operations, transit, road network operations, maintenance and municipal infrastructure.

The successful applicant will be a senior level leader who is well experienced in the complexities of municipal government, holds a degree or diploma in Civil Engineering, has a minimum 10 years' related municipal experience with 5 years' progressive experience in management and supervision, and has extensive knowledge in the areas of transportation and environmental services.

To learn more about the Municipality of Meaford, view the full job posting and to apply, please visit our website at www.meaford.ca. Interested qualified applicants are required to forward their cover letter and resume to the Municipality at jobs@meaford.ca and quoting Job #2019-21 by Tuesday July 2, 2019.

Note: For those applicants selected, in person interviews will be scheduled for the week of July 22, 2019, in Meaford.

The Municipality of Meaford is committed to providing a barrier-free workplace. If accommodation is required during the selection or interview process, it will be available upon request.
