

Operations Supervisor

In all we do, we have the freedom to be our best self, belong, excel...

Working in a dynamic, collaborative and cross-functional environment, you will be responsible for the day-to-day supervision and general operation of the Operations team, ensuring areas and work projects comply with legislation and town policies and procedures including providing coaching and mentoring to Field Supervisors who direct day to day frontline operations.

Reporting to the Manager of Operations, you will:

- Review, monitor, and ensure compliance of operational field records, activities, and sites in accordance with operational policies and government regulations
- Make proactive recommendations to ensure the infrastructure is in place for planned growth
- Represent the Town in legal issues and give evidence in matters related to the service area
- Maintains liaison and responds to inquiries/concerns from other service areas and agencies

You are a driven self-starter who thrives in an environment of innovation and wants to make a meaningful contribution to our corporation and community. You hold a Post-secondary degree or diploma in Civil Engineering, or suitable equivalent. In addition, you have a minimum of five (5) years of municipal related experience, along with five (5) years of progressive management and/or supervisory experience in a unionized environment overseeing Roads and related infrastructure within an Operations or Public Works capacity or equivalent. Required certifications include Certified Road Supervisor (CRS) and accredited through OACETT. The following certifications would be considered an asset Drainage Superintendent or Membership with Association of Ontario Roads Supervisors AORS or suitable equivalent. A valid Class "G" driver's licence in good standing is required and a class "DZ" licence is an asset and a reliable vehicle to use on corporate business.
