

THE MUNICIPALITY OF MEAFORD

Requires a

Full-time Manager, Transportation & Fleet Services

(Job Posting #2019-01)

Salary Range: \$82,061.72 to \$99,746.54

The Municipality of Meaford is located in the County of Grey on the western shore of beautiful Georgian Bay in Central Ontario. With a rural and urban mix population of approximately 11,000, the Municipality offers abundant recreational and lifestyle opportunities.

The Municipality of Meaford is looking for a Full-time Manager, Transportation & Fleet Services to be responsible for the management, operation and administration of roads, bridges, fleet, facilities and equipment operations. Key technical responsibilities include managing the roads network and winter control; maintenance of municipal infrastructure, facilities, properties, sidewalks, traffic signals, storm water management, municipal drains and streetlights; managing fleet, vehicle and equipment acquisition, maintenance and disposal; and managing the forestry programs.

The successful applicant will have a Diploma in Civil Engineering Technology, Fleet Management courses, or an appropriate combination of training and experience; minimum 10 years' of experience in roads maintenance and operations; demonstrated project management experience and a minimum of 5 years' management and/or supervisory experience. They will also have certification or be eligible for certification as a CET, or an appropriate combination of training and experience with a Certified Roads Supervisor (CRS-Senior) designation and be certified as an Ontario Drainage Superintendent.

To view the full job posting and to apply please visit the Municipality website at www.meaford.ca. Interested qualified applicants are required to forward their cover letter and resume to the Municipality quoting Job #2019-01 by Friday January 25, 2019.

The Municipality of Meaford is committed to providing a barrier-free workplace. If accommodation is required during the selection or interview process, it will be available upon request.
