

The County of Essex is Canada's southernmost county. We are nestled between Lakes St. Clair, Erie and the Detroit River. Easy access to major international metropolitan centres in both the United States and Canada provides the best of urban and rural living. The Corporation of the County of Essex provides services in the areas of Engineering, Road Maintenance, Emergency Medical Services, Planning, Emergency Management Services and Long Term Care.

ROADS MAINTENANCE SUPERVISOR

Reporting to the Manager of Maintenance Operations; the Roads Maintenance Supervisor schedules daily work activities providing direction and monitoring work crews on maintenance and construction projects as part of the Infrastructure Services department on the 1500 km County road network.
