Have you developed an innovative or bright idea that your municipality implemented resulting in a better practice? Good Roads wants to hear about it.

## Categories

The John Niedra Better Practices Competition recognizes innovation in three areas of municipal capital projects:

- Project or Asset Management.
- Equipment or Resource Deployment.
- Project or Service Delivery.

## Nomination Process

We encourage you to nominate a fellow municipality or your own that has developed and implemented an innovative idea. Please complete the attached form. Nominations can be made electronically to james@goodroads.ca.

## Nomination Follow Up

OGRA will follow up with the nominated municipality and gather information on:

- How the practice/innovation has improved efficiency, effectiveness or quality.
- How the practice/innovation was implemented within your municipality.
- The time lines over which you have sustained improved efficiency, effectiveness or quality of service using the practice/innovation.
- What improvements have been discovered by implementing the practice (reduced cost, reduced time frames to complete work, improved quality ,etc.)
- The measurement/metric used to determine success of the practice, and
- The practice/innovation must be easily transferable and non-proprietary.

## Judging

- All entries will be considered open to public knowledge.  
- Judging will be done by members of the Research and Product Development Committee.

## Reporting the Results

Winners will be announced at the 2022 Good Roads Conference, February 27 - March 2.

Submissions due by November 5, 2021
